

# GBSSA UPDATES

SUMMER | 2020 | QUARTERLY NEWSLETTER

## WELCOME - FROM YOUR BOARD

Welcome to the very first Graduate Business Student Services Association newsletter, and thank you for your new or renewed interest.

GBSSA is rooted in communication and idea-sharing, something we could likely all use during these unprecedented times in higher education. The 2020 Board of Directors welcomes you into our community - a place for support, collaboration, and learning that spans business schools, universities, cities, states, and countries. Keep an eye out for our quarterly newsletter with updates from across GBSSA.

We look forward to connecting with you!

## Annual Conference

We have decided to postpone our annual conference traditionally held in the fall, until April 2021. We will be sending out a survey in July to gather thoughts and suggestions on how we move forward.

# Member Survey

Please take 10 minutes to fill out our annual membership survey, which helps establish and track benchmarks for our industry. The results are presented at our annual conference.
